

The Golden Circle

Staff and students able to articulate the "WHY" not merely the "WHAT" OF LESSONS.

PLAN FOR ACTION

Build teacher capacity through Action Research model with a focus on individual pedagogical change that is both evidence-based and sustainable.

Collaboratively analyse and monitor data to track student achievement and growth.

Increase by 5% the number of students achieving DECD SEA in Running Records and the number of students with higher band attainment in NAPLAN (in all cohorts).

Build teacher competence and leadership through a continuation of the SDPS Focus Teacher model.

Whole school collaborative moderation to align with updated A-E Grading.

Collaboratively develop STEM practices as an integral component of curriculum.
